For SALE: (Used) Rolling Walker \$60

Rolling walkers with hand brakes and built-in seats are now all the rage among our seniors. Visit a senior residence and you'll see real competition for the fanciest rolling walker with the most bells and whistles. The poor resident with a standard walker simply can't compete, even with a snazzy tennis ball cups on the walker feet.

For SALE: (Used) Pride 3-Wheel Electric Mobility Scooter <u>\$700</u>

The scooter delivers elegance and high performance standards. The feather-touch disassembly provides users convenience when they're on the road or at home. The rich design is perfect for great balance in any environment and the low profile tires help keep the user balanced on the ride. Comfort and quality is what you'll find with the Pride Victory.
