

let the *games* begin

A Language and Conversation Support Group for individuals focused on games

Do you miss playing games? Do you like interacting with others in a fun and stimulating environment but you're overwhelmed and you just can't?

Then *Let the games begin* may be just the activity for you.

Let the games begin is a support group that gives you an opportunity to participate in group card games. As a member of the group you will be learning to play card games and interacting with other individuals who have similar interests in a supportive, encouraging environment.

A licensed Speech Language Pathologist facilitates the meetings, provides suggestions and encouragement while helping you build confidence in your language and conversational skills.

This casual, fun group will meet at Northwest Hospital & Medical Center on Thursdays, 11:00 p.m. to 12:00 p.m, January 8 thru March 13, 2009

How to join *let the games begin*

The suggested donation for a 10-week session is \$100.00 (not reimbursable by insurance)

Registration is limited. To register, completed the registration form and return it in the enclosed envelope along with your check to reserve your spot.

If you have questions, please call 206-368-1091
