Warm Feet Are Happy Feet!

Alicia loved buying random gifts for people and one of her favorite gifts to give was creative colorful socks!

We invite you to help us keep Alicia's tradition alive by:

- 1. Wearing your favorite pair of creative and fun novelty socks to "Light the Night"!*
- 2. Bringing a few extra pairs of novelty socks as a donation to help us warm the hearts & toes of low income families in Pierce County!*

Thank you in advance for your generosity!
