

Sun 19 Oct 2014

Nice to see you all yesterday, and thanks for coming!

NEW FACES

None this time, just us old-timers.

YASS PLAY DAY

We had a play day yesterday! Members brought toys & games, and our resident musician Steve Mitchell played his guitar and piano as accompaniment. It was a great time! We had two domino games going, Uno and other card games, a Towers of Hanoi game, and some radio-controlled flying machines. There was a lot of happy conversation and smiles all around. We'll definitely be doing this again!

SHARE YOUR STORIES

Member Kathleen O'Connor, who spoke to us in June, is still gathering stories for her book and website. If you'd like to share yours, contact her at Kathleen2501@gmail.com, or by mail at 2501 Canterbury Lane E #320, Seattle, WA, 98112.

YASS MOVING TO EMAIL-PREFERRED

We have a roster of 250 now, and it has become quite expensive for the American Heart Association to do our monthly mailings. It costs them several hundred dollars each month for paper, ink, stamps, and time. If you want to become email-only and help save AHA mailing costs, please let me know at the contact below.

TAILGATE PARTY

YASS member and Husky fan Mike Tran is organizing a tailgate party for the upcoming Nov 8 game with UCLA. It will be in parking lot N5, near Husky Stadium. You can find a link with detailed information on our website Resources page at <http://seattleyass.weebly.com/resources.html>. Look under "Current Events".

JANE CAUGHLAN

Jane was at our meeting, as hale and hearty as ever despite her chemotherapy. Great to see you Jane, and keep it up!

HANDIWORKS FOR SALE

Long-time member Sue Hunt was at the meeting yesterday, too, selling some of her beautiful handmade jewelry. Contact her at birdhunt@comcast.net or 206-546-3371 if you're interested. Also, Helen Easley is making her handmade purses available, with profits going to various charities. She can be contacted via her son Cliff at gooday2utoo@comcast.net or 206-450-4093.

PLAYING CARD HOLDERS

Do you have trouble playing cards with only one hand? Cliff Easley, gooday2utoo@comcast.net or 206-450-4093, has offered to make playing card holders for those who want one. Thank you, Cliff!

What a fun meeting! See you all next month.
